FILING INSTRUCTIONS FOR DECLARATION FOR IMPORTATION OR EXPORTATION OF FISH OR WILDLIFE (USFWS FORM 3-177)

NOTE: Failure to file a declaration for importation or exportation of fish or wildlife when required by the regulations in 50 CFR Part 14 is a violation of the Endangered Species Act of 1973 as amended (16 U.S.C. 1531 et. seq.). Regulations concerning the importation and exportation of wildlife may be found in 50 CFR Part 14.

Instructions: We strongly encourage all filers to use the U.S. Fish and Wildlife Service electronic filing system to reduce paper and time. Filers may access the internet filing system at http://www.fws.gov/le/. Filers may also access an on-line Adobe Acrobat version of Form 3-177 (http://www.fws.gov/le/ImpExp/Info_Importers_Exporters.htm) where the form can be filled in on-line and printed. Filers cannot save their completed on-line form unless they own the Adobe Acrobat software. For filers who choose to file a paper form, you must file the original declaration, and up to 2 copies to be retained by the Importer/Exporter or Broker. Print or type legibly. All filers are required to provide all relevant information, including supplemental documentation (as required in 50 CFR 14).

1. Enter the date of import into, or export from, United States jurisdiction (as defined by 50 CFR 14).

2. Enter the USFWS Import/Export License Number as required in 50 CFR 14.

3. Check the appropriate box.

4. Enter the appropriate 2-letter Port code from the list below. If the Port is not listed, use the numeric code for the Region where the port is located. You must include a copy of your USFWS Designated Port Exception Permit in the document package, if applicable.

NOTICE

In accordance with the Privacy Act (5 U.S.C. 522a) and the Paperwork Reduction Act (44 U.S.C. 3501), please be advised that:

1. The gathering of information on the importation and exportation of wildlife (any wild animal, including without limitation any wild mammal, bird, reptile, amphibian, fish, mollusk, crustacean, arthropod, coelenterate, or other invertebrate, whether or not bred, hatched, or born in captivity, and including any part, product, egg, or offspring thereof) is authorized by the Endangered Species Act of 1973 (16 U.S.C. 1531-1543) and Title 50, Parts 14 and 17, of the Code of Federal Regulations.

2. The disclosure of the requested information is required to provide information about imports or exports, including products and parts, to facilitate enforcement of the Act and other wildlife laws and regulations including the provisions of the Convention on International Trade in Endangered Species of Wild Fauna and Flora.

3. Failure to provide all of the requested information is sufficient cause for the U.S. Fish and Wildlife Service to deny you permission to import or export wildlife.

4. In the event there is indicated a violation of a statute, regulation, rule, order, permit, or license, whether civil, criminal, or regulatory in nature, the requested information may be transferred to the appropriate Federal, State, local, or foreign agency charged with investigating or prosecuting such violations.

5. In the event of litigation involving records or the subject matter of the records, the requested information may be transferred to the U.S. Department of Justice.

6. The requested information may be subject to disclosure under provisions of the Freedom of Information Act (5 U.S.C. 552). The U.S. Fish and Wildlife Service will retain information from Form 3-177 for a minimum of 5 years.

7. You are not required to respond to a collection of information unless it displays a currently valid OMB control number.

8. This information collection has been approved by OMB and assigned clearance number 1018-0012.

We estimate that it will take you about 15 minutes by hand or 10 minutes electronically to complete this form. Comments on this form should be mailed to the Information Collection Clearance Officer, Mail Stop 222-ARLSQ, , U.S. Fish and Wildlife Service, 4401 North Fairfax Drive, Arlington, Virginia 22203.
