Your "**Ultimate Hunting Experience**" begins when you arrive at the SportsBarn on the afternoon before your hunt. You are greeted with cold beverages and warm appetizers while taking in a beautiful sunset. The SportsBarn which is always open for your enjoyment boasts a 132" tv, a poker table, dart board and pool table. Inside there is plenty of space to visit by the fireplace or get pointers from the chef as he prepares your dinner. Following dinner and dessert you can grab a drink from the bar and continue relaxing in the hot tub outside while watching your favorite game or you can sit by the fire sharing stories of yesterdays before retiring to the lodge which is just a few steps away. On the morning of your hunt you are served hot coffee and warm pre hunt breakfast before departing for the blind. The blinds are a quick atv ride away and are always clean, dry and comfortable. Upon arriving back at the SportsBarn after the hunt you will be served a warm southern breakfast with all the fixings.
