

TRAVEL PROTECTION

WHEN YOU TRAVEL,
ANYTHING CAN HAPPEN.
WHEN IT DOES, YOU NEED
GLOBAL RESCUE.

We are the world's leading provider of medical, security, evacuation and travel risk management services. Founded in 2004, Global Rescue has exclusive relationships with the Johns Hopkins Emergency Medicine Division of Special Operations and Elite Medical Group. We provide best-in-class services that identify, monitor and respond to client medical and security crises. Global Rescue has provided support to our members during every globally significant crisis of the last decade.

MY GLOBAL RESCUE MOBILE APPSM

Access Global Rescue services in one location. Browse destination reports and alerts, activate emergency assistance, real-time virtual health visits and keep track of the people you care about with GPS tracking and messaging.

GLOBAL RESCUE MEMBERSHIP INCLUDES

Travel assistance

Whether it's logistics management during an emergency or a lost passport, Global Rescue travel assistance can help with unexpected issues.

Medical and security advisory services

Our operations centers are staffed by experienced nurses, paramedics and military special operations veterans.

Field rescue

We will send help if you are unable to get to a hospital and in urgent need of care. With no distance requirement, field rescue services are available whether you're close to home or on the other side of the world. This includes global COVID transport.

In-house expertise

Speak to an in-house Global Rescue expert on the first call. Personalized communications, recommendations and responses continue until your emergency is resolved.

Destination reports and alerts

Destination reports for 215 countries and principalities worldwide include entry requirements and required immunizations. Keep up to date on health and security events worldwide with real-time alerts and recommendations.
